Dear Sir/Madam

I have reviewed the plan in relation to the placement of our area in zone 1. This severely restricts our options in the future regarding planning permission.

I am strongly opposed to this measure for the following reasons.

- The land owned by our family is not suitable for sustained agricultural activity.
- I have always believed that the primary use of the land would be for keeping our family together.
- The land goes back many generations in my wife's family and we intend to keep it this way.

I ask you kindly to please reconsider this proposal.

Yours sincerely,

Eddie Briscoe
