Dear Sir/Madam,

My name is Brian Traynor, I'm residing in [] Kilcurry Dundalk Co. Louth.

I've been living here most of my life and my entire family is based here in the country side. I intend to build my home here also, however the new regulations may impact my ability to do so.

I have 1 acre of land in the Raskeagh Kilcurry area approx. 70meters from my home locatio A91HKT7.

Can you please review this request and extend the zones to cover this area? I completely disagree with the intentions of the new development plan.

Best Regards,
Brian
