Hi,

I wish to object to the draft Louth County Development Plan 2021 - 2027.

The restrictions on Zone 1 and Zone 2 are extremely discriminatory and biased against the local residents who grew up in this area.

It seems extremely unfair that people falling outside of the requirements set out for both zone 1 and zone 2 will be unable to get planning permission in that area.

Further to this, in the event an elderly relative needed care, there is no provision for people falling outside the two requirements in zone 1 to build a house to look after these relatives.

Finally, I think attempting to get this finalised before Christmas, in the middle of a pandemic, where people are unable to meet and discuss the impact of this is unacceptable. Many people will not be informed of the impact, and as such will be unable to oppose within the time frame required.

This could be detrimental to the local community and I hope this proposal will be reconsidered.

Kind regards,
Gavin
