Louth County Development Plan 2021

I wish to make reference to Louth County Development Plan 2021

Page 90 Chief Executive's Recommendation and state that I propose that the submission as below remains and that the Chief Executive recommendations re changes should not be proceeded with.

14

Secure, in co-operation with Iarnród Éireann and the National Transport Authority, improved rail services for the mid and south Louth areas, and in particular to seek to examine the feasibility of re-opening the rail station in Dunleer and providing additional new rail stations for south Dundalk, north Drogheda, and the mid-Louth area.
