

Can I Make a Submission/Objection?

- The Submission/Objection must be made in writing and signed.
- It must give the Planning Reference or the address of the proposed development.
- It must state the name and address of the person making the submission and indicate an address for correspondence relating to the application.
- It must be lodged with the Planning Authority within the first five weeks of receipt of the application along with a fee of €20.

Please note that submissions/objections are available for public viewing
