FILE NUMBER	APPLICANTS NAME	APP. TYPE	DATE INVALID	DATE RECEIVED	DEVELOPMENT DESCRIPTION AND LOCATION
18/224	Mark Goodman	P		17/08/2018	F Permission for development at Protected Structure LHS012-003. The proposed development will consist of partial demolitions, alterations, refurbishment and extension to the existing two storey over lower ground floor/basement house. The development provides for demolition of late twentieth century extensions to the house including (i) the single storey conservatory to the south (ii) the raised platform area and steps to the west and associated floor space beneath (iii) semi-circular entrance porch to the east (iv) partial demolition of some internal walls and features to facilitate reconfiguration of internal living space including raising of window heads at first floor level on the eastern elevation. Following the above demolitions the proposed development provides for (i) new two storey extension to the west over lower ground floor/basement (ii) new part single part two storey extension to the south that includes a lower ground floor/basement area and an outdoor roof terrace at first floor level (iii) alterations and refurbishment of external facades, roofs and chimneys including reinstatement of main entrance to the house to its original position in the east elevation, replacement of uPVC windows with timber sash windows (iv) alterations to the western boundary to the site that will include closing up of existing vehicular entrance off Blackrock Road (R172) to provide pedestrian only entrance at this location and provision of new vehicular entrance approximately 26m to the north including gates, railings and piers. Sections of boundary walls/features to be removed will be re-used/replaced in keeping with existing (v) all associated site development works including landscaping, boundary treatment and alterations to ground levels. **Non significant Further Information received 17/08/2018 allowing changes to the proposed development to include the complete design of the proposed western extension with associated internal changes.
